

Citizen Science MC Meeting in Cēsis

with local host: **Institute for Environmental Solutions**
(www.videsinstituts.lv/en)

Purpose

Besides the management meeting and Working group discussions on the 4th of June we propose to discuss Citizen Science strategies across Europe with the question on the differences among Eastern, Central, South, Northern and Western parts of Europe. Also invited guests will provide some insights on policy processes.

More details to be added soon

Practical details regarding the hotel reservations

Here is a list of hotels from which we have made the preliminary reservation (they have closed these rooms from the booking.com): <https://www.cs-eu.net/events/internal/fifth-citizen-science-cost-action-mc-and-wg-meeting>
You need to contact them directly for full booking **via e-mail**. The reservation with confirmation from the hotel must be done **before the 14th of May** – otherwise you will not have a place to stay. Please, mention **the code: Vides risinājumu institūts Cost Action Citizen Science** when making the e-mail otherwise we will not be able to track the reservations. And please, wait for the confirmation of the hotel – and if there will be full booking they will suggest the next place from the given list.
The payment must be done after you check in or during the check out at the Hotel.

***The transportation from Riga to Cēsis and back will be organized by buses with the help by the hosts.**
